#### ✧ **Back to Campus for a fun-filled Saturday**

Some 200 members from the King's family including teachers, alumni, students and parents gathered together on 6 March for an afternoon of fun and excitement at the "King's College Games Day 2010", an annual event co-organized by the School and the Parents Teachers Association. It allowed alumni to meet and mingle with fellow old boys & girls and talk about their good times at school.

In that afternoon, the school was abuzz with activities as many reached the campus early to get themselves ready for the day. Participants assembled at the School Hall for a simple kickoff ceremony. The revelers enjoyed an array of fun-filled activities like, soccer, basketball, badminton, table-tennis, chess, bridge, flower arrangement, etc. throughout that memorable afternoon.

The success of the event was attributed to the relentless efforts, generous contributions and enthusiastic participation of alumni, staff, students and their parents. *For more...*

The tour to our sister school, Beijing Huiwen Middle School, has been held for the fourth time. This year, 29 students led by our Principal, Mr HO, teacher-in-charge of External Affairs, Miss NG, and music teacher, Ms FUNG, visited Beijing between 6 April and 10 April 2010 for a 5-day music exchange tour.

This exchange programme aims at enhancing our students' understanding of our motherland, as well as their national identity through various outings and learning activities. Students

were given opportunities to participate in classroom lessons as well as sporting and cultural activities, meet with their pen pals, enjoy free time with their host families, and tour around the historical monuments.

✧ **Job shadowing opportunities for our S4 to S6 students**

Under the New Senior Secondary (NSS) Curriculum, Other Learning Experiences (OLE) is one of the three components that complement the core and elective subjects for the whole person development of students. Schools have to offer students a range of OLE opportunities encouraging them to participate in the five areas of OLE, namely Moral and Civic Education, Community Service, Career-related Experiences, Aesthetic Development and Physical Development.

We are now seeking job shadowing opportunities from **ALL OF OUR RENOWNED ALUMNI**. If you are interested in offering our students with work experience options through which they will learn about a particular kind of job by shadowing you through the work day, please contact our Careers Mistress, Ms WONG Ka-wai, at 2255-0081 for details.
