Farewell Message from Principal Ho

*King's College is a great school.
It is and has always been.
It is a place where dreams can come true

hearts will be kept warm.
To both staff and students,
there is always a life for the School's tomorrow

- Under the New Senior Secondary (NSS) Curriculum, Other Learning Experiences (OLE) is one of the three components that complement the core and elective subjects for the whole person development of students. Schools have to offer students a range of OLE opportunities encouraging them to participate in the five areas of OLE, namely Moral and Civic Education, Community Service, Career-related Experiences, Aesthetic Development and Physical Development.
- We are now seeking job shadowing opportunities from **ALL OF OUR RENOWNED ALUMNI**. If you are interested in offering our students with work experience options through which they will learn about a particular kind of job by shadowing you through the work day, please contact our Careers Mistress, Ms WONG Ka-wai, at 2255-0081 for details.
