☞ **Job shadowing opportunities for our S5 students**

- Under the New Academic Structure (NAS), Other Learning Experiences (OLE) is one of the three components that complement the core and elective subjects for the whole person development of students. Schools have to offer students a range of OLE opportunities encouraging them to participate in the five areas of OLE, namely Moral and Civic Education, Community Service, Career-related Experiences, Aesthetic Development and Physical Development.
- The first ever "King's College - Job Shadow Programme" co-organized by the Careers Committee of the King's College and the King's College Old Boys' Association was successfully launched in 2010-11. **Sixty-eight S5 and S6 students were given eighty opportunities to shadow twenty-two alumni and their related parties for half day to 2 days during Lunar New Year and Easter holidays.** In view of the positive responses from our alumni and students, the School decided to continue this meaningful activity during Lunar New Year, Easter and other school holidays.
- If you are interested in offering our students with work experience options by shadowing you through the work day, please refer to the attached file for details and return the completed registration form on or before 30 Nov 2011. Should you have any queries, please do not hesitate to contact Mr CHONG Kin-sang or Mr HUANG Kwai-fung or Ms WONG Ka-wai, at 2547-0310 or email to kcjobshadowing@gmail.com.
