#### ✧ **Monument Plaque Unveiling Ceremony cum Home-Coming of 2 Eminent Senior Alumni**

It was a great honour that our school was announced a declared monument by the Antiquities & Monuments Office in early December 2011. To commemorate this historical moment and share our joy, our school was open to the public for three consecutive Saturdays on 3, 10 and 17 December. With the docent services provided by our Student Ambassadors, the public got a chance to know more about the history and architectural features of our school.

The Monument Plaque Unveiling Ceremony was held on 17 December 2011 at the school campus. We were honoured with the presence of Mrs. Carrie LAM CHENG Yuet-ngor, GBS, JP, Secretary for Development, Mr. LEUNG Chun Ying, GBM, GBS, JP, one of our distinguished old boys as well as two of our alumni from the 1930's, Dr Samuel KAM and Dr ZHONG Xiang-chong, as our Guests of Honour. Hundreds of guests and media gathered at the main entrance to capture this impressive moment. Our former Principals and Vice Principals, alumni, parents, teachers, students and guests grinned from ear to ear with joy and shared their happiness together as a big family.

The celebrating party that was held at the school hall following the ceremony bustled with delight and excitement. Everyone was amazed by the wonderful performances of the renowned "King's Harmonica Quintet", the Harmonica Trio "Veloz" and the Harmonica Quartet "Harvellous" which were formed by our alumni and current students. Their performance with the School Harmonica Band has certainly demonstrated a good spirit of solidarity among Kingsians. We especially enjoyed the unforgettable and touching moments with our two eminent alumni when they shared inspiring experiences of their lives in King's College.

This historical day was undeniably a special memory that all Kingsians will treasure forever. [For more...](#)
