Note of thanks

- ✧ A big thank you to Dr. Patrick POON Sun Cheong for his generosity in sponsoring 100 student tickets for the S.2 to S.5 students and Interact Club members to attend the John Williams' Movie Music and the Mozart's Piano Concerto performed by the Hong Kong Sinfonietta in October and November. The concerts broadened students' horizon in aesthetic development and music appreciation. Students enjoyed the concerts very much and embraced the music with delight.
- ✧ We would like to extend our gratitude to Mr. KAM Hing Lam for his generosity in sponsoring our S.3 & S.6 students to watch the enlightening movie "My Voice My Life" with refreshments in November. The King's College Education Foundation Fund also sponsored teachers and S.4 & S.5 students to watch the movie. Both teachers and students found the movie inspiring and impressive.
- ✧ We have to give our special thanks to the following alumni who came to school during Friday lunchtime to share with our students not only their working experiences but also insight of life in our newly started programme "KC Talents". What inspires our students most is the interaction with the speakers during Q & A time. Their heart to heart sharing helped prepare and orientate our students to plan for their future.

The Golden Bond: Alma Mater and You!

Make the most of the opportunities that are available to maintain your continued connection with the School, through its alumni initiatives.

✧ **Would you like to celebrate your important moments at your Alma Mater?**

You could ...

- *celebrate your graduation anniversary with your fellow schoolmates; or*
- *organize a reunion with your class.*

✧ **Would you like to support the work of your Alma Mater?**

You could ...

- *share life experience*
- *deliver a career talk or arrange a career visit to your company*
- *help with mentoring*
- *sponsor school events, e.g. the exchange programme, etc.*

We would welcome any of your initiatives as we believe that alumni play a key role in helping King's College to climb to new heights in the ever-changing 21st Century.
